

ALZBETA RIDZONOVA

**Director of External Trade Statistics Department
Statistical Office of the Slovak Republic**

Alzbeta Ridzonova has been the director of External Trade Statistics Department of the Statistical Office of the SR since 1 April 2017. She was co-chair of the Council Working Party for Statistics during the Slovak Presidency in the Council of the EU. She was seconded to EUROSTAT as the national expert within the period from July 2009 until June 2015. She has been dealing with the external trade statistics for 22 years. Already during her secondment she had worked on the provisions for the statistics on the international trade in goods within the Framework Regulation on the European Business Statistics (FRIBS) and related implementing and delegated acts. She participated actively in the negotiation of this Regulation in the Council Working Party on Statistics. She chairs the Statistical Office of the SR Working Group on FRIBS implementation. She earned Master in mathematics from Comenius University, Faculty of Mathematics and Physics in Bratislava.
