

BERT KROESE

Deputy Director General, CBS Netherlands

Bert Kroese got his PhD in Mathematical Statistics at the University of Groningen. After working in an agricultural institute for two years he joined Statistics Netherlands in 1996 and has had different roles in that institute. Presently he is Deputy Director-General and CIO. Among his main responsibilities are IT, data strategy, government wide cooperation, Lean and agile processes, quality and innovation.

Internationally he is member of a number of groups involved with innovation in statistics. He chairs the United Nations Committee of Experts on Environmental-Economic Accounting (UNCEEA) and co-chairs the European Vision Implementation Group (VIG), together with the Director-General of Eurostat.
